STEP INSIDE

At Molikule Green Care, we're not just in the business of cleaning and disinfecting products; we're on a mission to redefine the standards of cleanliness and safety. With a vision of making India the epitome of cleanliness, we specialize in preventive maintenance, ensuring that families, factories, schools, offices, and public spaces are not just clean, but also safe havens for all.

Join us and embark on a quest for sustainable greatness! Within our corporate narrative lies more than just a business; it's a testament to our unwavering dedication to innovation, sustainability, and positive change.

Here at Molikule Green Care, we defy industry standards by advocating for environmentally-conscious solutions in every aspect of our endeavors. Our journey is a tale of commitment, progress, and an unyielding pursuit of perfection. As you explore our milestones, values, and triumphs, you will discover the passion with which we deliver our services in sustainable chemistry to our clients across the globe. Winning the industry's trust is important as we gain momentum in forging towards a harmonious blend of industry and nature.

Thank you for being a part of our narrative. Let's continue sculpting a world where sustainability and safety seamlessly intertwine in co creating a greener and cleaner planet.

With gratitude,
Team Molikule Green Care

FOUNDING PRINCIPLES

Molikule Green Care was established on the principles of innovation, integrity, and environmental responsibility. The founders recognized the need for a paradigm shift in the FMCG sector, and the company was built with a mission to be a catalyst for positive change, leading the way towards a harmonious coexistence of industry and nature.

CORE VALUES

CORE VALUES

Sustainability

We are unwavering in our commitment to environmental responsibility, striving to create products and processes that minimize our ecological footprint and contribute to a sustainable future.

Integrity

We conduct our business with the highest ethical standards, ensuring transparency, honesty, and accountability in all our interactions with customers, partners, and stakeholders.

Excellence

We pursue excellence in all aspects of our work, setting ambitious goals and continuously striving to surpass them. We take pride in being a world-class organization that consistently delivers superior quality.

Adaptability

We embrace change and demonstrate resilience in the face of evolving challenges. By staying agile and adaptable, we ensure our ability to navigate the dynamic landscape of the sustainable chemistry industry.

Innovation

We foster a culture of continuous innovation, embracing the latest advancements in chemistry and technology to develop cutting-edge solutions that redefine industry standards.

Customer-Centricity

Our customers are at the heart of everything we do. We actively listen to their needs, exceed expectations, and consistently deliver exceptional value through our sustainable chemistry solutions.

Employee Empowerment

We invest in our people, fostering a supportive and inclusive workplace that encourages creativity, diversity, and personal growth. We believe that empowered and motivated employees drive the success of our company.

MAXIMO SPR

Your Heavy-Duty Bathroom Solution

In high-traffic bathrooms, ordinary cleaners often fall short of expectations. For business owners, facility management teams, and housekeeping agencies tasked with maintaining public buildings, a heavy-duty bathroom cleaner is essential. Introducing Maximo SPR, your solution for effective and efficient cleaning in even the busiest of bathrooms. With Maximo SPR, maintaining your bathroom's lustre has never been easier. Its one-step cleaning and sanitizing process not only removes dirt and grime but also restores shine to shiny surfaces, leaving your bathroom looking and feeling like new.

Key Benefits

- Maximo SPR is a powerhouse of cleanliness.
- Formulated to tackle stubborn soils, body oils, and soap scum,
- Cleaning and sanitizing for floors, wall tiles, glass, mirrors, and sanitary fittings.
- Its advanced formula inhibits water scale formation on regular use, ensuring that your bathroom remains pristine and hygienic at all times.

Step By Step Application

- Simply mix 20 ml in 1 litre of water for cleaning or 50 ml in 1 litre of water for sanitizing.
- Spray directly onto the surface to be cleaned, leave for 1-2 minutes
- Scrub if necessary
- Wipe the surface with a clean cloth

Usage

- **READY TO USE ON TOUGH TILE STAINS**
- **DILUTE 1:1 FOR MEDIUM STAINS.**

Areas of Application

Cleaning and sanitizing for floors, wall tiles, glass, mirrors, and sanitary fittings.

**With Maximo SPR,
achieving a sparkling clean
bathroom has never been simpler.**

M2

MAXIMO

Transforming Floors, Elevating Spaces

Everyday maintenance shouldn't be a hassle—it should be a simple, effective way to keep your property in pristine condition. Introducing Maximo, our general-purpose floor cleaner that's designed to make cleaning effortless and efficient. Whether you're a DIY enthusiast or part of a housekeeping team, Maximo is your go-to solution for transforming dusty floors into spotlessly clean and sanitized spaces in minutes.

Key Benefits

- Formulated with quad chemistry,
- Kills germs and controls bad odors
- Prevents mold and fungus growth on regular use.
- Skin-friendly pH ensures safety for both floors and janitors' hands.

Step By Step Application

- Simply dilute 20-50 ml in 1000 ml of water
- Apply the wet mopping solution directly after dilution, and wipe with a mop.
- Rinse the mop frequently for optimal results
- Alternatively, use a scrubbing machine and pick up directly using a wet vacuum cleaner.

Usage

- Use 100ml product per 5-7 liters water.
- Maximo can also be sprayed as a non-corrosive disinfectant, providing versatile cleaning options to suit your needs

Areas of Application

Cleaning and sanitizing floors.

Available in 12 fragrances to enhance freshness and cleaning

Maximo: The floor cleaner that elevates every room.

HAND WASH

Hands up for hygiene. Wave goodbye to germs!

The first step to great hygiene is the habit of hand washing. Habits get inculcated at a tender age. Molikule's Handwash liquid is a fantastic product to build this habit for a lifetime. Children need to hand wash each time before and after eating food; after play is very vital. Molikule's Handwash clears 99.99% of all germs from the palms of your hands, in between the fingers and simply makes it clean.

HOW TO WASH YOUR HANDS

1 Wet hands

2 Apply soap

3 Rub hands palm to palm

4 Scrub between fingers

5 Wipe fingernails and fingertips

6 Lather hands and wrist

7 Rinse hands

8 Dry with disposable towel

9 Use the towel to turn off the faucet

Available in 4 variants

Key Benefits

- Kills germs and keeps the hands clean
- Skin-friendly pH ensures safety for both children and adults

Germ-free hands, carefree day!
